

# Drobo Pro & Drobo B800i

*ICOP Drobo Storage Solutions are the future of video evidence storage and management that completely eliminate the need for DVD archives, via high capacity storage arrays delivering fault tolerance and unprecedented expandability.*

### Store Massive Amounts of Video Evidence

Drobo Storage Solutions can hold up to 16 or 24 TB of raw storage and beyond, ensuring online access to all your video evidence, completely eliminating the need for offline DVD storage.

### Simple Expansion

To add capacity, simply insert a new hard drive or replace your smallest drive with a larger one, even when all drive bays are full. Unlike traditional RAID systems, the BeyondRAID technology in Drobo enables you to leverage different drive capacities, allowing for continuous expansion as larger drives become available. Drobo expansion is automatic, instantaneous, and access to data is always maintained.

### Redundantly Safe, Self-Healing

Dual disk redundancy ensures data is safe even if up to two disks fail simultaneously—all without a moment of downtime. You'll feel safer knowing that if disks do fail, DroboPro automatically enters a state of self-healing wherein it reallocates your data across the remaining healthy disks and sectors

### Features

- Single or Dual drive redundancy
- Utilizes iSCSI, which can be used to connect storage directly to servers using a high-speed connection
- Drobo Dashboard - powerful, yet simple, management tools and interface

SPECIFICATIONS	
<b>Host Interface</b>	
	iSCSI (utilizes Gigabit Ethernet)
<b>Video Management</b>	
	ICOP iVAULT MMS
	ICOP DVMS (PC Viewer)
<b>Operating System Support</b>	
	Windows 7 SP1 32 and 64 bit
	Windows XP SP3 32 and 64 bit
	Windows 2008 Server R2 SP1 64 bit
	Windows 2003 Server R2 SP1 32 and 64 bit
<b>Power Specifications</b>	
Idle System	13 watts (standby, drives off)
Typical Idle System	25 watts (8 drives, idle, drive spin down mode)
Typical Busy System	82 watts (8 drives)
<b>Physical</b>	
Dimensions (w x h x d)	12.2 in. x 5.5 in. x 14.1 in.
Weight	16 lbs. 3ozs (without hard drives)

**Includes 3 Years Drobo Care!**

Advanced replacement – when you call, we'll send your replacement same day. Next business day delivery available in US and select European countries.<sup>1</sup>

36 months of 24x7 technical support from date of activation<sup>2</sup>

OPTIONAL ACCESSORIES	
625-00034	Western Digital 2 TB Drobo Drive
625-00033	Hitachi Desk Star 3 TB Drobo Drive
600-00099	Rack Mount for Drobo Pro
600-00098	Rack Mount for Drobo B800i

<sup>1</sup> Order must be received by 1pm local time for same day ship. See DroboCare terms for next business day delivery restrictions.

<sup>2</sup> DroboCare must be activated within 30 days of ICOP Drobo Storage Solution purchase
